What Do I Get With Your 6% Buyer Fee?

An all-in service package designed to save you time, protect you from bad cars, and de-risk the purchase

1. Three Pre-Viewing Screenings

- Up to three pre-viewing visits by our team to screen if a car is worth your time seeing in person

2. Vehicle History & Claims Checks

- Vehicle history reports pulled from relevant markets (UAE, GCC, EU, USA where applicable)
- We look for past accidents, insurance claims, odometer issues, and other red flags before you commit

3. Pre Purchase Inspection

- One full pre-purchase inspection by a trusted third-party specialist or mobile inspection service.
- Detailed mechanical, cosmetic, and safety assessment so you avoid cars with major undisclosed issues
- Note: Dealer inspection (ex. Ferrari Al Tayer Dubai) if necessary is not included

4. Price Analysis & Negotiation Support

- Market price analysis based on comparable cars, condition, and spec
- We advise you on a fair offer and support you through negotiation so you don't overpay or buy the wrong car

5. Insurance & Registration Support

- Guidance and support to secure comprehensive insurance
- Assistance with RTA inspection and registration to make the car fully road-legal in your name

6. Secure Paperwork & Deposit Escrow

- A clear sales agreement between you and the seller
- Deposit escrow service that protects your deposit and guarantees a full refund if agreed terms are not met (for example, if the car is damaged or in an accident before the sale is completed; a real scenario we've prevented).
